and operated by a licensed auctioneer holding a valid firm license, no further license shall be required.

(2) successfully completed at least thirty (30) hours of classroom education approved by the commission; and

(3) provided other information as the commission may require to demonstrate honesty, trustworthiness, integrity, reputation, and competency.

(d) Upon approval of the application by the commission, the applicant must take and successfully pass an examination prescribed by the commission. All examination fees are set by the commission.

(f) The gallery license holder must comply with all of the requirements of Tennessee license laws and regulations that apply to all licensees.

(g) Licensees holding non-auctioneer firm licenses for the purpose of owning and operating an auction barn, auction house, or auction gallery, may convert their non-auctioneer firm license to a gallery license at any time during a two (2) year period beginning July 1, 1999, and ending June 30, 2001, by requesting such change in writing without meeting any other requirements.
